

EAEPE Annual Conference

6-8 November 2008

Special Session for PhD students: "Research and Methods in Economics"

The Scientific Committee of the 2008 EAEPE Annual Conference invite PhD students to submit their abstract for a SPECIAL SESSION within the general conference entitled: "Research and Method in Economics". PhD students can submit their works which can have both a methodological perspective and an empirical approach in all the topics.

Conference Fees for PhD students: free

Please upload an abstract to <http://eaepe2008.eco.uniroma3.it>

by May 30, 2008.

The abstract should clearly mention:

- a.. Title of the paper
- b.. Name of the author(s) and full address of the corresponding author (postal address, phone, fax and email)
- c.. (expected) results and/or conclusions
- d.. up to 5 keywords and the explicit reference to "PhD Special Session"
- e. the aim of the study and methodology,

At the Conference, PhD students should clearly present the methodology used in the research project.

Each paper will be discussed by expert discussants who will attend the session.
